Why Become a Teacher of Students with Visual Impairments (TVI) or a Certified Orientation & Mobility Specialist (COMS)?

Would you enjoy working with students outside of a classroom setting?

Would you enjoy working one on one with students?

Would you enjoy working with students in the school, home & community settings?

Becoming a Teacher of Students with Visual Impairments (TVI) or a Certified Orientation & Mobility Specialist (COMS) might be for you!

Teach life-long skills to students with visual impairments.

Empower students to move through school and life with specialized technology.

Develop relationships that will last a lifetime & bring you the true rewards associated with teaching.

Work with students of all ages and skill levels who may be blind, have a visual impairment and/or deafblindness.

Express your creativity while teaching others to be independent.

Challenge yourself to experience the world of sensory impairments!

And...stipends may be available for training!
