July 25, 2016

Dear Parents:

This letter is regarding the Texas School for the Blind and Visually Impaired Weekends Home Program for the 2016-2017 school year. Please read this letter carefully so that you will understand how the Weekends Home Program will work this year. The goal has always been to encourage as many of our students to go home each week as is possible. Our school has always held the value that it is important for our students to maintain the bond they hold with their families and local communities. It is our belief parents do a better job of raising their children than we do. The home community is where resources should be developed to assist the student in their transition to productive adult life.

Here is how the 2016-2017 Weekends Home Program works. If you are within 50 miles of one of our established drop off points: Houston, Columbus, Balch Springs, (Just south of Mesquite), Bear Creek (Red Oak), Belton, Waco, Fort Worth, Bryan, Huntsville, San Antonio, Brady or Abilene your child will be home every weekend.

If you live more than 50 miles from one of our established drop off points you will have the option to have your child come home only when we are closed or we will make every reasonable effort to get your child home approximately every other weekend at school expense. These options apply to all students who live more than 50 miles from established drop-off points, including all who must use public transportation to return home. Please indicate your choice on enclosed form.

If your child's ARD Committee makes decisions regarding your child's participation in the Weekends Home program, we will adhere to those requirements.

Payment for air transportation and bus/van transportation: Your local school district provides for your child to come home, at no expense to you, when the school closes. Please refer to the official TSBVI school calendar for more information about the specific dates of school closings. On all other designated weekends when your child comes home, TSBVI will either provide a TSBVI bus or van transportation for your child

to a drop-off point designated by TSBVI or provide a commercial bus or airline ticket for your child approximately every other weekend. Getting your child from TSBVI, the airport/bus station or drop-off point: For the weekends and holidays that TSBVI closes, your local school district will either provide transportation for your child from either TSBVI, the airport, bus station or the TSBVI drop-off point or, reimburse you to do this. You will need to check with someone at your local district about getting paid for this travel.

For all other designated weekends when your child comes home, TSBVI will arrange for you to be paid to pick up your child from the place where your child is dropped off. If your child goes home by plane, you will be paid to pick up and return your child to the airport. If your child goes home by commercial bus or TSBVI bus or van, you will be paid to pick up and take your child to the drop-off point.

Mileage Reimbursement: For each mile you drive back and forth from the drop-off point, TSBVI will reimburse you at the rate of 50% of the federal/state mileage reimbursement rate, which is currently 29 cents per mile. Please be aware that this amount is subject to change based on the federal/state mileage reimbursement rate. So, if you live 15 miles from the drop-off point, TSBVI will pay you 15 x \$.29, or \$4.35 for your trip to the drop-off point on Friday afternoon; \$4.35 for your trip back home on Friday evening; \$4.35 to take your child back to the drop-off point on Sunday; and \$4.35 for your drive home on Sunday. So, if you live 15 miles from the drop-off point, for one weekend, TSBVI will pay you \$17.40.

Reimbursement checks will be mailed to you three times per school year. The first check will be mailed in December and will be for qualifying mileage that you drive between the beginning of the school year and the Thanksgiving holidays. The second check will be mailed in April and will be for qualifying mileage that you drive between the Thanksgiving holidays and spring break. The third check will be mailed in June and will be for qualifying mileage that you drive between spring break and the end of the school year.

Safety: Each school vehicle used for the Weekends Home Program is equipped with a variety of safety equipment to make the trip as safe as possible. All Weekends Home staff have been trained to manage students effectively on the routes and to safely transport the students. This training includes training on evacuations and other emergency response techniques. Every effort is made to ensure a safe ride and a positive experience for students. TSBVI will need your cooperation to keep your child's participation as consistent as possible with your assigned schedule.

- Understand, after the school year has started, TSBVI will not be able to make changes in your child's assigned schedule. In August 2016, we will plan how many staff we will need to supervise students in the dormitories and how many we will need to get students home on each weekend. We cannot afford to make changes after the school year starts because changes will result in not having

enough residential instructors to safely and effectively supervise the students who do not go home on a particular weekend.

- Make sure that you pick up your child on time and have your child back on time from your drop-off point (airport, bus station, TSBVI drop-off point).
- If your child travels by plane or commercial bus, you must be on time to pick up and to return your child at the time your child's flight or bus is scheduled.

Sincerely,

William Daugherty, Superintendent

QUESTIONS?

Contact: Gian Calaci Weekends Home Coordinator
(512)206-9231 - Office
(512) 844-9362 - Cell

If you have any questions about these dates, Please call Gian Calaci, the weekends home coordinator, at 512-206-9231.

Weekends Home Travel Dates

- **School Closings** - All student\ travel home on these dates. TSBVI is closed for the indicated long weekends, holidays or end of year travel, which is June 4.
- **'A' weekend home** - All A weekend home students travel home and back to TSBVI on the indicated dates
- **'B' weekend home** - All B weekend home students travel home and back to TSBVI on the indicated dates
- Most students travel every weekend. Some students travel on either 'A' or 'B' weekends. Some students travel only on closures. This is generally determined during the ARD process.

Dear Parents,

The escorts and drivers on the Weekends Home buses work a 10-hour shift! When you are late, the parents at each following stop are inconvenienced and the staff must work an even longer shift. Please be considerate and on time to pick up and drop off your children.

Thank you so much from everyone in Weekends Home.

Pick up/Drop off Times

Abilene Route—stopping in Liberty Hill, Brady, & Abilene

Friday	Sunday
1:10 PM depart TSBVI	8:10AM depart TSBVI

Weekends Home FAQs

What items must my child pack?

Residential and/or instructional staff are responsible for ensuring that their students pack clothes, personal items, music players and other items that the student may need for the weekend. Please contact residential or day staff if you have specific items that you would like for your child to bring home on weekends. Also, for those students who may need AM change on the bus, please provide between one to three changes of clothes and at least three diapers/pull-ups. These actions will help preserve your child's dignity and comfort throughout the trip. Thanks for your help!

What do the students do during travel?

Because the buses are often crowded we like travel to be fairly quiet if possible. Most students socialize or listen to music or play games on an iPad. If your child has AM favored leisure activity or toy that will help make travel relaxing for them, please send it along. If you know of an activity that soothes your child when they are upset, please let us know that as well.

Do buses make AM restroom stop?

Buses make one scheduled stop each way. The bus makes additional stops as needed, however we ask that you please take your child to the toilet prior to boarding the bus and refrain from providing excessive beverages before travel. Thank you. This really helps keep the trips as short as possible.

Is food provided for my child?

We will provide snacks for each student for the Friday trip. Please feed your child lunch before bringing them to the bus on Sundays. We do not provide snacks or lunch for the Sunday trip. Water and juice are available for students on all trips. Please do not give students large drinks before boarding the bus. Unplanned bathroom stops slow down the trip considerably.

Can my child purchase snacks at the restroom stop?

No, due to time constraints and staffing issues, students may not buy snacks or other items at stores during the bus trips. Please plan ahead by providing snacks for return trips.

What if my child has AM special diet?

Snacks are prepared by the TSBVI Food Service department in accordance with dietary restrictions and allergy information provided to the Health Center. Please keep all information current so that we may provide AM safe and healthy meal for your child.

Can I make changes to my child's travel schedule?

We will not be able to change the Weekends Home schedule assigned to your child except in emergency or critical situations. If you believe that you have an emergency or critical situation and would like to request AM change in your child's schedule, this must be done no later than 4:00pm on the day before travel will occur.

You must call either:

Garner Vogt, Residential Director- Comprehensive Programs B 512-206-9115

Shelly Allen, Residential Director- Comprehensive Programs AM 512-206-9179

******* Important *******

if your child will not be returning on Sunday, please notify:

Gian Calaci, Weekends Home Coordinator 512-206-9231 or 512-844-9362

What happens during bad weather?

We will notify you of any cancellations or significant delays due to weather or any other unforeseen circumstances.

Who can pick up my child from the bus stops?

Anyone picking up your child needs to be on their official permissions form. If you need to add someone to this official list please contact the Weekends Home Coordinator 512.206.9362 the week before travel. For safety sake, please do not leave this until the day of travel.

Can my child ride the bus if they are feeling ill?

Students experiencing AM temperature above 100 degrees, diarrhea, or vomiting will not be allowed to return on the bus or van in order to protect the other students from AM contagion. If AM staff member observes AM student with any type of medical or health problem indicating that the child may not be healthy enough to return on the bus or van, the staff member may contact the TSBVI Health Center and describe the problem to the

nurse on duty. The nurse will determine whether the student will be allowed to return on the bus or van. The staff member will inform you of the nurse's determination.

How are my child's medications transferred to the school?

Each route has AM Medications Sponsor who is responsible for picking up student medications at the Health Center on Fridays. Please meet this person at your stop to get your child's medication. If you forget to do this, we will call you and ask you to return to the bus stop. If we cannot reach you by phone within AM reasonable time period, your child's meds will be returned to the Health Center at TSBVI. On Sundays please give all returning medications to the Medication Sponsor on your route. Do not pack medications in luggage. EMS must be able to locate all meds easily, in the event of an emergency. If you forget to bring your child's medication to the bus or the prescription is not full enough to treat the student until her next visit home, your child may not be allowed to return to school. This will be determined by the Administration at TSBVI. The bus Medication Sponsors are not allowed to let AM student on the bus until they have all the students' medications. Thank you for your attention to this important detail for travel.

What kind of training do Weekends Home staff members have?

TSBVI provides First Aid and CPR training, bus evacuation procedures, emergency procedures, basic sign language, Orientation and Mobility, Positive Behavioral Support Techniques and MANDT® training for staff. Staff is also given professional development opportunities to increase the quality of care that your child receives.

Can I send money for my child with Weekends Home staff?

Please remember that we will not be responsible for any money or valuables you send back with your child. We are not able to assume responsibility for any money sent with your child. Our staff is not allowed to accept money, and we strongly discourage parents from sending any money or valuables with the students' luggage.

Will I need an ID to pick up my child?

Until the staff are familiar with you, you may be asked to show an ID before being allowed to pick up AM student. This is for everyone's safety.

*******Important*******

if your child will not be returning on Sunday, please notify:
Gian Calaci, Weekends Home Coordinator 512-206-9231 512-844-9362

Flight Procedure

Friday Airport Pick-up

1. parents get gate pass at the ticket counter.
2. Go through security.
3. Arrive at gate before flight
4. When the students arrive, exchange info and **medications** with the escort.
5. The escorts will depart immediately for their return flight to Austin

Sunday Airport Drop-off

1. Parents and students get gate pass at the ticket counter.
2. Go through security.
3. Arrive at gate one hour before the scheduled departure time.
4. When the escorts arrive, exchange info and **medications** with the escort.
5. If your student has difficulty with parting from you, Please say goodbye and then remain sight until the plane departs.
6. The parents must stay at the airport until the plane leaves the ground.

Your student's dorm manager will provide you with your student's flight itinerary the week before travel. If you have not received this information by the Wednesday before travel, please contact the dorm manager.

Parents, you must get AM gate pass to meet and drop your student at the gate one hour before travel. If you are unwilling to do this, you must arrange for AM friend or district person to meet or drop your student **at the gate one hour before the flight**. This needs to be arranged before the day of travel each week.

Students should travel with one carry-on backpack only.

Your child may not be allowed to return to TSBVI without their **medications**.

If you want to shop in the airport before flights, please plan to do this early; you need to be waiting at the gate one hour before the scheduled flight.

Flying students to and from TSBVI can be complex, expensive and stressful. Please do your part to make the experience as stress-free as possible. By arriving early and saying your goodbyes quickly, we can avoid many of the problems we have seen in the past.

Thank you so very much for your help making the flights go smoothly. As always, if you have questions or problems please call me.

Gian Calaci, Coordinator Weekends Home Program 512.206.9231 or 512.844.9362

Weekends Home Reports

Required Reports of Child Neglect and Abuse:

Texas State law requires all persons who have reason to believe that AM child has been abused or neglected to make AM report of abuse or neglect to AM law enforcement authority such as AM police department or the Texas Department of Protective and Regulatory Services. Reporting abuse and neglect is required. Therefore, any TSBVI staff member who believes that AM TSBVI student has been abused or neglected will make AM report of such abuse or neglect to an appropriate authority. Types of conduct that may be reported include: striking AM child and driving AM child while intoxicated.

Prohibition against releasing students to persons who appear to be under the influence of alcohol.

TSBVI prohibits Weekends Home drivers and escorts from releasing any student to AM person who appears to be either legally intoxicated or incapable of safely operating AM vehicle because of alcohol use. At any time AM driver or an escort believes that the person to whom the student is to be released is legally under the influence of alcohol or cannot safely operate AM vehicle, the driver or escort will notify the local law enforcement authorities to come to the pick-up or drop-off location. The law enforcement authority will determine whether the student may be released to the person picking up the student.

Student incident reporting:

All incidents will be reported on AM TSBVI incident report or on AM student's behavior checklist. The same expectations that apply in the classroom and dorms apply on the bus. If an incident is serious you will be notified. Following the rules on weekends home is AM safety issue. Repeated failure to follow the bus rules may result in AM student losing the ability to participate in the Weekends Home program.

Weekends Home Vehicle Rules

****The rules of the Student Code of Conduct apply at all times on the Weekends Home vehicles.****

Be Safe - Be Responsible -Be AM Participant -Be Respectful

1. **Respect Others' Rights.** Students must respect the rights and privileges of other students and Weekends Home staff.
2. **Respect Others' Property.** Students must respect the property of others.
3. **Cooperate with Staff.** Students must cooperate with or assist the Weekends Home staff in maintaining safety, order, and discipline.
4. **Seatbelts.** Students are to remain seated and buckled in their seats as long as the vehicle is in route.
5. **Entertainment.** Your child is likely to enjoy AM smoother bus trip if they carry preferred music, toys, etc. Please remember to provide spare batteries for the four-hour trips. We are happy to work with the team in establishing AM supportive bus routine for your child.
6. **Headsets Required!** All radios, CD players, keyboards, electronic toys, etc. must be used with AM headset unless Weekends Home staff has given permission otherwise.
7. **SHH!** Students must keep all noise levels as low as possible.
8. **Rest Stops.** Students must cooperate to make each rest stop as safe and efficient as possible. Students will not be able to purchase snacks or drinks at rest stops. All students must be under supervision of AM Weekends Home staff person at all times during the rest stop.
9. **Glass Prohibited.** Students may not bring glass objects onto the vehicle unless they are stored in their luggage.
10. **No Aerosols or Sprays.** Students may not bring aerosols or sprays (such as perfumes, colognes, etc.) into the seating area of the vehicle.
11. **No Hanging Out the Window.** Students must not throw or hang anything out of the window of the vehicle.

The rules of the student code of conduct apply at all times on the Weekends Home vehicles.
