Texas law requires that parents or adult students (18 or older) give written permission for their child or the adult student to be absent from the school campus for such purposes as extracurricular activities, field trips, illness, and medical appointments.

The school realizes that time and distance might prevent you from sending the school a note to give permission for absence from the school’s campus each time that this occurs. This Permission Form, signed by you, will serve as the parent’s or adult student’s permission for the student to leave the school’s campus or be absent.

A more complete list of reasons for absence that can be excused is included in the Student Handbook provided to each parent and student.
