

TSBVI announces the 6th Annual:
BRING YOUR BOSS TO WORK WEEK!

5 REASONS WHY I SHOULD BRING MY BOSS TO WORK

1. VI professionals and supervisors universally report this activity has a positive effect on funding and professional development requests.
2. Your supervisor will learn more about the scope and range of the challenges your students face.
3. Your supervisor will get a chance to experience being an itinerant professional.
4. Show your supervisor how specialized VI resources benefit students.

AND

☆ Everyone who completes a ½ page survey* and gets their supervisor's signature will receive an iTunes/Google Play gift card (sponsored by All Blind Children of Texas)

AND

☆ Participants will be entered into a drawing for free registration for a TSBVI sponsored conference!

*Surveys must be received by December 16, 2016.
