[00;00;09] EMILY COLEMAN: Welcome to The Texas School for the Blind and Visually Impaired located deep in the heart of Austin, Texas – where the expanded core curriculum is done every day in every way. We invite you to come in and experience some of the sites and sounds of our campus.

[00;19;28] NARRATOR/AD: The TSBVI logo on a dark background. The title below:
Sites and Sounds

*church bells from neighboring church

[00;25;28] A US and Texas Flag on a pole in front of **The Main Building**. There are large braille letters, TSBVI, above the sliding doors that open to welcome you.

*flag ropes hitting flagpole

*automatic doors sliding open

[00;37;22] Inside **The Main Building** there are lockers, welcoming classrooms, a science lab, and bright hallways.

*school bell chimes

* lockers opening and shutting

+ 2 students wearing backpacks, the male taller student has his hand on the female smaller student's walker. They are walking down the hall towards the Wildcat Banner.

*white cane used by an individual in two-point touch technique on tile floor

+ A male student stands in front of a bulletin board manipulating braille words.

“Disability History Leaders Louis Braille” is written in print letters along with an image of Louis Braille on a bulletin board.

*students heard chattering in halls

+a young male student wearing glasses and a bright blue mask explores a light board while a female teacher wearing a mask looks on.

+a female and male student work on projects in a robotics class.

[00;49;02] TSBVI has three programs that serve the estimated 11,000 students identified as blind, visually impaired, and deafblind throughout Texas.

*indistinct classroom chatter

+a male student wearing a hat pours white liquid from a blender while a teacher supports the student and a peer watches

*white cane using two point touch on a tile floor

[01;04;25] **The Learning Resource Center**, TSBVI's library, offers a wide array of braille and large print materials, audio books, story boxes, and low vision aids, high- and low-tech materials, and places to emboss braille, or do homework or research.

*water filter in fish tank

+a female student with a big smile and her chin held high reading braille, a male teacher is smiling at her

+ a male student works diligently on a tactile chart and laptop

*screen reader speaks

*Perkins Brailier

*Braillenote audio feedback states "Welcome Wildcats"

*Embosser

[01;37;14] This learning tool is a 3D printer which makes detailed and colorful tactile models.

*3D Printer

+a male student holds up a model made from 3D printer

*sound of north doors opening

[01;49;28] Outside the north doors of the main building there is a water fountain and two large open fields.

+2 female students smile for the camera while sitting on patio furniture

* water fountain outside north doors

* windchimes

+ a female student walks with her female orientation and mobility instructor, who is wearing a hat, down the north/south covered walkway

*indistinct chatter

+2 students eat lunch at a picnic table with a teacher standing nearby

*more windchimes

[01;56;02] Travel with us on the sidewalk, walking north toward **the quad**, the center of campus.

*individual using white cane in constant contact technique on concrete

[02;13;07] Arriving at the center of the quad we find two red benches where students gather to socialize.

[02;21;26] There are four buildings in the quad ...

[02;24;06] **The Fine Arts Building** is in the southeast corner ...

+a male student spreading his arms to show off colorful paper wings in front of The Fine Arts and Auditorium Building

*student footsteps as they travel with white cane using constant contact

*sound of a rolling cane tip as the camera turns

[02;31;06] Then traveling counterclockwise there is **The Health Center** on the northeast corner ...

[02;39;12] Continuing around the quad there is **The Pool** on the northwest corner ...

* indistinct sound of student talking

+2 students socialize on the red benches in the center of the quad. They both have white canes and the female student is in a wheelchair with a bright pink frame

[02;48;17] And lastly, **The Cafeteria** – in the southwest corner.

[02;56;04] Inside the large **Cafeteria**, the US flag and flags of Texas hang from the ceiling.

*students socializing, sneakers on tile floor

+students and staff fill the cafeteria for lunch

+a friendly cafeteria staff member assists with preparing food for students and staff

[03;02;08] There are tables, booths, and chairs in an open area, and the kitchen is on the west wall.

[03;07;23] Some students enjoy eating their meals on the outdoor shaded patio.

[03;13;17] East across the quad is our **Fine Arts Building**: with music rooms, colorful tactile art on the walls, and a large auditorium that hosts music and theater performances.

*musical instrument sounds - shaker sounds

*guitar sounds

+a student paints bright colored images of many hands drawn on a posterboard

+a teacher and two students create music together on ukuleles

*audience chatter

*audience applause

+student actors and actresses on stage after a performance of Beauty and The Beast Jr.

*birds chirping

[03;33;07] North of The Fine Arts building is **The Health Center**, where our professional nurses communicate with families and staff, and then work with students to provide healthcare needs 24/7.

*sound of healthcare center door chime

+student and 3 nurses outside health center with poster that says Happy B-Day

*blood-pressure cuff

*indistinct nurse voices

*pill bottles

[03;49;15] West of The Health Center is our **Pool**. There you'll find students enjoying free time splashing and swimming, or activities such as swim team, triathlon, or PE classes.

*splashing pool water

+student swims with a yellow swim vest, white swim cap, black rimmed goggles, and a big smile. There are two red lane line dividers on either side of him.

+ a student swims with a red swim cap, yellow swim vest and a big smile. She is just behind the red lane divider.

*lifeguard whistle blows

+student with his chin held high, a big smile and a yellow life vest practices kicking in the water with a staff member supporting him.

*longer lifeguard whistle

[04;02;01] Traveling northeast from the quad, you pass an outdoor half-court.

*basketball dribbling on outdoor court

*goalball coaches whistle

[04;06;06] Inside **The Large Gym** building is an indoor basketball court, an elevated indoor track – even a bowling alley.

*goalball coaches whistle

+Wildcat Goalball Game, student in maroon and gold uniform getting ready to roll the blue goalball across the gym floor and into the goal

+Coaches and students pose in gym after a judo competition

[04;14;02] TSBVI hosts many sporting events including goalball, cheerleading, wrestling, and Special Olympics.

+2021 Goalball Team and Coaches pose for a picture after winning second place in the USABA Goalball Competition at TSBVI

*clapping

*coaches whistle

*sneakers on gym floor

+students supported by staff doing physical activities, one male student jumps high in the air

*coaches whistle

[04;21;23] On the far west side of campus is another popular spot for encouraging social interaction and engaging in sensory play activities: **The Playground** – which includes climbing bars, swings, slides, play houses, and picnic tables.

*children laughing and playing

+4 students sitting outside in the shade on a sunny day playing with a doll house

+a male student smiles while swinging on play equipment, his white cane is on the ground

*sound of a student on a swing

+male student wearing glasses and a big smile swings on the play equipment

[04;37;07] **The Outreach Department** and conference center hosts trainings, seminars, and provides information to families, professionals, and community members throughout Texas.

*Families and Outreach Staff collaborating

+4 people sit at a table which has a game of LIFE on it, they are listening to a male presenter

+a female presents to a roomful of students and family members who are playing the game of LIFE

[04;48;08] Also, on the west side of campus is **Building 606**: with fun art pieces as landmarks...

*white cane using two point touch technique on tile

+a smiling teacher sitting at a table with 4 happy students playing a word game

+a teacher and student communicating using their hands

[04;56;01] ... an always updated tactile symbol library ...

*velcro

*scissors

+ teacher and student sitting in front of a large print calendar, going through the daily schedule

[04;59;25] ... spacious classrooms, therapy and music rooms, a small gym, and a tech lab.

*student chatter

+Teacher and student sitting exploring a sensory bin together, both of them are wearing masks

*sound of computer keyboard

[05;06;24] **[05;07;19]** You'll find a serene place for reflection at our **Memorial Garden** on the far east side of our campus – near the main cluster of student dorms.

*background noise of traffic on Lamar

+staff wearing a mask, enjoying a student singing into a microphone, they are holding hands

[05;16;02] The **dormitories** have rooms for meals, social gatherings and entertaining

...

*video games

*students laughing

+staff and students in a Semi-modulars class

[05;21;03] ... residential kitchens with fully accessible appliances ...

*electric mixer humming

+3 female students sitting on a couch together playing music and clapping hands

*mixer

+staff supporting a student preparing a meal in a bullet blender, student is smiling

[05;30;18] ... and comfortable dorm rooms.

*yawn

*light switch

*music

[05;35;26] On the northeast side of campus, you find the TSBVI Sunshine Gardens filled with beautiful flowers and fresh vegetables used in our Career Ed Farm to Table Program.

*bees buzzing

+a male student learning gardening skills from a male teacher

+students and teachers gather on a sunny day for a lesson at the Sunshine Gardens

*birds chirping

+? male student dumps items from a yellow wheelbarrow into a compost pile

[05;48;17] East of the main building is **The Career Ed and Transition Center**. Here students can explore having work and life experiences in learning kitchens, workshops with embroidery machines, and our very own wildcat coffee shop. TSBVI's 18+ EXIT program classrooms are also located in this building.

*food cooking in a frying pan on a stove

+students in aprons and hairnets fry food and prepare meals

+students and staff wearing aprons and hairnets sell baked goods at the Bistro

*embroidery machine

+student checking the detail on a cap being embroidered

*coffee machine

+male student wearing a Wildcat Coffee apron making coffee

+students and staff lined up to get coffee at the Wildcat Coffee Shop

[06;12;03] TSBVI offers intensive Orientation & Mobility instruction where students learn skills to safely and efficiently travel in their environment whether on campus or in the community.

*individual using a white cane approaching truncated domes on ramp to street

*TSBVI security gate on campus, sound when gate is going up/down

[06;25;04] The Weekends Home Program provides residential students the ability to spend the weekend with their family – in cities all across the big state of Texas.

*Weekend Home buses

+Staff and student hugging goodbye

+support staff reading to a smiling student on the Weekends Home Bus

[06;39;03] Behind the main building we see a large field of colorful wildflowers. Text on the screen.

*church bells from neighboring church

EMILY COLEMAN: All Texas students who are blind, visually impaired, or deafblind will be empowered to lead productive and fulfilling lives.

[06;52;07] The TSBVI wildcat mascot.

*Wildcat Mascot ROAR
