

What To Bring - School Year Packing List

Packing:

All luggage and containers carrying items the student brings, such as bags, backpacks, school equipment and materials, must be clearly marked with the student's name. As much as possible, all loose items should be packed together, rather than as loose separate items. Please do not use open-top shopping bags.

Spending Money:

Each student may bring \$10 for spending money to cover the cost of extracurricular, off-campus activities and personal spending, but this is purely optional, and is a family decision. Please send cash, as we are not able to cash checks or money orders.

Medications:

Please send any medications your child may need to take while at TSBVI. All medications must be sent in their originally labeled containers. Unlabeled or hand-labeled medications are prohibited by TSBVI nursing staff. Medications will be given exactly as specified on the label.

Homework:

(for academic classes only)

Clothing:

A suggested clothing list is described below. Classroom dress is informal, but neat and appropriate. Please send enough clothing for the full number of instructional days, as students will not have the opportunity to do laundry. Include shoes that can be worn in the gym. Please send clothing that is appropriate for the season. Closed toed shoes are required for school day classes and may be required for recreational activities.
