

To log into your school's VI SPED/504 or DB Child Count, please go to the online applications that are hyperlinked in your email. If this is the first time you are logging into the sites for the day, then you will see a pop-up window that will ask for a username and password. Enter the **two factor authentication** login exactly as displayed in your email notification. You will only need to do this once per day.

## **TWO FACTOR AUTHENTICATION:**

**Username:** \*\*\*\*\*

**Password:** \*\*\*\*\*

***TIP: Try copying and pasting passwords into the login prompts!***

You should then arrive at either the VI Registration or DB Child Count. Enter in your school's county-district number, and then the corresponding password for the count you will be working in. The passwords are case sensitive and alpha-numeric. We recommend copying and pasting these into the text fields. They can be found in your school's email notification regarding the annual counts.

**COUNTY-DISTRICT #: 123456**

**PASSWORD FOR VI REGISTRATION: xxxxxxxx**

**PASSWORD FOR VI 504 COUNT: xxxxxxxx**
