

# SOMETHING DIFFERENT EVERY DAY

## Why Become a Teacher of Students with Visual Impairments (TSVI) or a Certified Orientation & Mobility Specialist (COMS)?

- Would you enjoy working with students outside of a classroom setting?
- Would you enjoy working one-on-one with students?
- Would you enjoy working with students in the school, home and community settings?

## Becoming a Teacher of Students with Visual Impairments (TSVI) or a Certified Orientation & Mobility Specialist (COMS) might be for you!

- Teach life-long skills to students with visual impairments.
- Empower students to move through school and life with specialized technology.
- Develop relationships that will last a lifetime and bring you the true rewards associated with teaching.
- Work with students of all ages and skill levels who are visually impaired, blind, deafblind and those with multiple disabilities.
- Express your creativity while teaching others to be independent.
- Challenge yourself to experience the world of sensory impairments!
- And ... stipends may be available for training!
