
BRAILLE FEELS COOL
AND BRAILLE MATTERS!

BECOME A MEMBER

BRAILLE REVIVAL LEAGUE
OF TEXAS

BRAILLE MATTERS!

- Because it means Access to information – like reading, writing and keeping up with the news.
- Because it means Independence – allowing blind people to do things for themselves.
- Because it means Literacy – so that blind people know the correct spelling of people's names, foreign cities, and medical terminology.
- Because it means Equality – allowing blind people to perform better in school, work, games and other social interactions.

WHAT DO WE DO?

- Send letters in braille encouraging students in Texas who participate in The Braille Challenge and provide certificates for the winners.
- Present an exhibit at the ACB of Texas State Conference/Convention on why it is important to learn and use braille, no matter your age.
- Make presentations at public places, demonstrating the reading and writing of braille, showing why braille is valuable to people who are blind.

- Conduct statewide membership meetings where we share information and play games like Brailliance, a fun braille word game for the iPhone.
- Send riddles to members, in braille, by mail monthly, just for fun!
- Adapt greeting cards with braille to share with children who are in the Hospital to raise their spirits and expose them to braille.
- Advocate to make braille more available statewide.

HERE'S HOW TO JOIN THE BRAILLE REVIVAL LEAGUE OF TEXAS:

- Send $15 if you are 18 or older ($10 if you are 13 – 17)
    - By Zelle to 5129211625
